

خير البرية

- رصد -

نَظْرَهُ إِلَيَّ	خَيْرَ الْبَرِيَّةِ
كَنَزُ الْعَطِيَّةِ	مَا أَنْتَ إِلَّا
وَتَاجَ عَذْلِ	يَا بَحْرَ فَضْلِ
قَبْلَ الْمَنِيِّ	جُدْ لِي بِوَضْلِ
عِنَّا وَتَبَخَّلْ	حَاشَاكَ تَعْفُلْ
إِرْحَمْ شَجِيئَهُ	يَا خَيْرَ مُرْسَلْ
يَا خَيْرَ هَادِي	كَمْ ذَا أُنَادِي
عَطْفًا عَلَيَّ	قَضْدِي مُرَادِي
صَلَاةَ رَبِّي	أَهْدِيكَ حُبِّي
بِالذِّكْرِ حَيًّا	مَا دَامَ قَلْبِي

O Best of Creation

O Best of creation - Grant me look!
You are but – a treasure of gifts!

O ocean of excellence - O crown of equity!
Give me, out of your bounty, union – before the trials!

You would never forget me – or be treat me miserly,
O best of Messenger – have compassion with my pathetic state!

How much have I called – o best of Guides,
You (to whom is) my aspiration and will – show me your loving affection!

I give you my love, (and send upon you) the blessings of Allah,
As long as my heart remains alive with remembrance.
